

# **New LCS Referral Incentive Program!**

(Tuition Reduction for the 2024/2025 School Year)

## **Help Build LCS and Earn up to \$1,500 per referral**

We're excited to offer our families and friends a wonderful opportunity to attend and grow LCS while receiving a reduced tuition! Here's how it works. For each new student that is referred to LCS by an existing LCS student/family:

- The referring family will receive a \$150/month tuition discount for the 2024/2025 school year (commencing upon enrollment of the new student; partial months will be prorated).
- The new family being referred will also receive a \$150/month tuition discount for the 2024/2025 school year (commencing upon enrollment; partial months will be prorated).
- **That's approximately a 20% tuition reduction for each new student you refer to our school! Tell your friends to enroll now!!**

Limitations and restrictions:

- This program is limited to 1st – 8<sup>th</sup> grades.
- "New student" is defined as one:
  - Not currently on any L.C.S. waiting list
  - Not currently attending our school (preschool – 8<sup>th</sup> grade)
  - Without any other siblings currently enrolled in our school (preschool – 8<sup>th</sup> grade)
  - And one who would otherwise be paying full tuition (e.g. not receiving financial aid).
- This offer is limited to 3 children per new family.
- This referral incentive program is limited to a total of 30 new students (first come, first served).
- In order to qualify, the referring family must have one or more children enrolled in our school at full tuition.
- This offer is subject to enrollment restrictions. In other words, the class size must be able to accommodate the new student(s) being referred.
- Tuition discount(s) for the referring family may not exceed the total tuition paid by that family and is contingent upon current enrollment of the new student(s).
- This incentive program is for the 2024/2025 school year only and will be re-evaluated after that.
